We Offer 3 Tour Options!

Zoo Tour

The **ZOO TOUR** opens with a safety video and product orientation. The ride then takes you through the Zoo property to see and learn about a host of unique and friendly animals. We'll then take you on a brief off-road tour of the Zoo property so you can experience the true off-road ride of an x2. This tour runs approximately 2 hours. (Reservation required)

Off-Road Tour

The **OFF-ROAD TOUR** also opens with the safety video and product orientation, but continues with an entirely off-road tour, which is separate from the Zoo experience. On this tour you will ride the Segway x2 model in a natural environment. Our guides will lead you along trails and throughout the woods. This tour will be up to 2 hours long. (Reservation required)

Downtown Sanford Tour

Discover the quaint, historic city of Sanford. Glide down the palm-lined sidewalks along the beautiful shores of Lake Monroe. You will catch a glimpse of what life was like in Downtown Sanford in the late 1800's with stops at the Sanford Museum and the Seminole County School Museum. Through the charming downtown streets, uncover the unique antique shops, art galleries and specialty boutiques. During the encounter you'll also make a quick stop at the famous house from the movie "My Girl." This tour will be up to 2 hours long. (Reservation required)

***The cost of the Segway Tour does not include re-admission to the Zoo, however you may purchase tickets at a discounted rate!**
