# Homeschool Classes for Ages 5-8

**Annual Pass Holders: \$15.00 Non-Pass Holders: \$18.00**

**Tuesdays, 2:00 p.m. to 4:00 p.m. on the following dates:**

Registration is required at least one week in advance. Please observe age requirements.  
Fee includes Zoo admission for the student on day of registered program.

## **Tues. Sept. 10, 2019: Wonders of Rainforests**

Through interactive activities, amazing biofacts and live animals, students will be transported to the rainforests of the world.

## **Tues. Oct. 8, 2019: The Unhuggables**

Lovable and huggable...not these animals. Prickly is what these animals are all about as they use spines, quills and more for protection from predators.

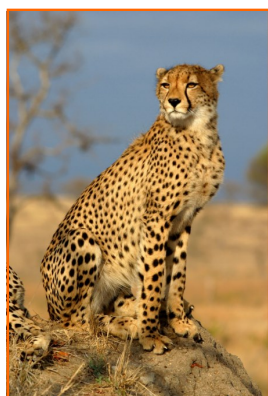

## **Tues. Nov. 12, 2019: Small Creatures, Big World**

What is life like for small animals in a big world? Let's discover what it really means to be little.

## **Tues. Dec. 10, 2019: Hooves and Horns**

From llamas to goats, we'll explore the petting Zoo to learn about everything from hooves to horns!

## **Tues. Jan. 14, 2020: Amazing Africa**

Students explore the lands, cultures and animals of this fascinating old world continent.

## **Tues. Feb. 11, 2020: Big on Bears!**

We're going on a great big bear adventure to learn all about Florida's amazing black bears!

## **Tues. Mar. 10, 2020: Zoo Keepers**

Join us to discover what it takes to care for animals at the zoo. Whatever the weather, Zoo Keepers are on duty and taking care of the animals!

## **Tues. Apr. 14, 2020: Wild About Disguises**

Discover how animals "disappear" in the wild. Learn how they use their camouflage skills to hunt and to hide.

## **Tues. May 12, 2020: Take Flight**

Experience the world from a bird's-eye view. On the ground or in the air, what does it take to be a bird?

# Homeschool Classes for Ages 9-13

**Annual Pass Holders: \$15.00 Non-Pass Holders: \$18.00**

**Tuesdays, 2:00 p.m. to 4:00 p.m. on the following dates:**

Registration is required at least one week in advance. Please observe age requirements.  
Fee includes Zoo admission for the student on day of registered program.

## **Tues. Sept. 10, 2019: Passport to Adventure**

Discover amazing animals from both near and far as we go on safari exploring old and new world continents and the animals that live there.

## **Tues. Oct. 8, 2019: Fear to Fascination**

From creepy crawly, to animals that slither and slide, it's all about myth busters as we learn the real facts about some amazing animals.

## **Tues. Nov. 12, 2019: Zoo Vets**

What's it like to be a Zoo vet? It's a tough job when your patients might be as tall as a tree or so small they fit in the palm of your hand.

## **Tues. Dec. 10, 2019: Amazing Africa**

Students explore the lands, cultures and animals of this fascinating old world continent.

## **Tues. Jan. 14, 2020: Venom 101**

We'll research different types of venom to discover why they are important to some animal species and how they can help humans.

## **Tues. Feb. 11, 2020: Crazy About Crocodilians**

Powerful predators with amazing adaptations, excellent camouflage, incredible swimmers...let's learn more!

## **Tues. Mar. 10, 2020: Invincible Invertebrates**

Explore the world of the mighty insect and learn how powerful these tiny giants can be.

## **Tues. Apr. 14, 2020: Zoo Keepers**

Join us to discover what it takes to care for animals at the zoo. Whatever the weather, Zoo Keepers are on duty and taking care of the animals!

## **Tues. May 12, 2020: Mission: Possible!**

It's mission POSSIBLE as we discover what we can do to save animals and our planet!

# Homeschool Family Workshops

**Annual Pass Holders: \$20.00 per Family**

**Non-Pass Holders: \$25.00 per Family**

**Time: 2:00 pm - 4:00 pm**

**Registration is required in advance.**

**Fee does not include Zoo admission and is not required for the program.**

## Wild Science: Invasive Species

**Date: Wednesday, September 25, 2019**

Alien plants and animals can do lots of damage when released into non-native habitats. It's wild science in action as we explore, identify, and restore.

---

## X-treme Reptiles

**Date: Wednesday, November 6, 2019**

Class Reptilia: Crocodilians, lizards, snakes, turtles, tuatara...tuatara? This extreme adventure will take students into the exciting realm of reptiles.

---

## Exploring Biomes

**Date: Wednesday, February 19, 2020**

The Earth is made up of many different biomes and we're going to explore them! Let's discover who lives where and how they survive.

---

## Earth Day Every Day

**Date: Wednesday, April 22, 2020**

Every day people choose to make a difference. Big and little, it all adds up. What can you do? Let's find out and meet some of the incredible animals you'll be helping!
