- Have effective interactions in our group based environment (ex. buddy systems, group projects, etc.)
- Abide by the Camp Manners Agreement

If you have any questions about the essential functions listed above please contact us at

AGE LEVEL BREAKDOWN

The Zoo's summer camps have been designed to provide our campers with a fun, safe, and developmentally appropriate program. To promote teamwork and provide the best experience for all campers, please register children according to the age they will be while participating in summer camp. The Zoo reserves the right to move campers into camps appropriate for their age level.

LUNCH AND SNACK OPTIONS

Each camper must bring their own lunch. Lunches brought from home do not have to be disposable. We will have snack time in the morning and afternoon, so please send two snacks with your child. We suggest that you label all lunch/snack items and water bottles so they can be returned quickly if misplaced.
