COMES TO LIFE!

# EDUCATION RESOURCE GUIDE

# PLANNING YOUR ZOO VISIT

---

## **COVID-19 Safety Measures**

We strongly recommend that guests follow CDC guidelines when indoors and when social distancing outside is unachievable. Hand washing and hand sanitizer stations are available throughout the park and where education programs are conducted.

## **Chaperones**

Chaperones must accompany children at all times. We require a minimum of one adult for every 10 children.

## **Name Tags/Clothing**

We recommend name tags be worn by each person but not attached with straight pins, which could cause harm to the animals. The Zoo is an outdoor facility; children should dress appropriately for current weather conditions. Closed-toe shoes, socks, sunglasses, insect repellent, hats, and sunscreen are recommended. Umbrellas and rain ponchos may also be appropriate.

## **Parking**

If you are arriving by bus, follow the signs to the designated bus parking area on the far side of the parking lot. We encourage schools to consider using private bus carriers in order to spend more time at the Zoo.

## **Late Arrivals**

If you have scheduled an education program and are running late, please call 407-323-4450, x 121, 123, 125, or 0 for assistance. We will gladly make allowances for your group if you notify us prior to your arrival. If after 30 minutes your group has not yet arrived, and we have not heard from you, your program will be cancelled. We reserve the right to adjust program length depending on staff availability.

## **Graze and Swirl**

The snack bars offers a variety of lunch items, snacks, and beverages.

**PLEASE NOTE OUTSIDE FOOD IS NOT PERMITTED INSIDE THE ZOO. PLEASE LEAVE LUNCHES ON THE BUS, IN YOUR VEHICLE, OR IN A HARD-SIDED NON-FABRIC CONTAINER WITH A LID.**

## **Restrooms/Water Fountains**

Restrooms are located in the Discovery Center and at both snack bars. A water bottle refill station is located in front of the Discovery Center.

## **Gift Shop**

Zoo souvenirs can be purchased at the ZOOfare Outpost, located in our Barnyard Buddies Children's Zoo.

## **Animal Food**

Please do not feed the animals. They are provided specific diets that meet their daily nutritional requirements. Food to feed the animals in Barnyard Buddies Children's Zoo can be purchased in the gift shop for \$2.00 per cup.

## **Giraffe Feeding**

Giraffe feeding is available from 10:00 a.m. – 3:00 p.m. daily. The cost is \$5.00 per person.

## KinderZOO! - Kindergarten

Students will discover how books and other media portray animals with characteristics and behaviors they don't have in real life by meeting some of our special animal ambassadors. Then they will observe how their adaptations make them different from each other. After that, we'll journey around the Zoo to discover how plants and animals are alike and different while making observations using the five senses.

### Onsite Program

Time: 10:00 a.m. to 12:00 p.m.

Group Size Per Day – Min. 15 students, 1 Adult / Max. 120 students, 17 Adults

Please plan to schedule more than one date if you have more than 120 students.

### Virtual Program

Time: 1 Hour

The virtual platform can accommodate up to 100 participants.

Choose from Zoom, Webex, or Microsoft Teams.

## First Class...Zoo! - 1st Grade

Meet live animals and make observations about animal parents and their babies. Explore animal diversity and learn how we use our five senses while meeting animals that depend on their senses for survival. Journey around the Zoo as students explore habitats to learn how animals and plants use their amazing adaptations!

### Onsite Program

Time: 10:00 a.m. to 12:00 p.m.

Group Size Per Day – Min. 15 students, 1 Adult / Max. 75 students, 13 Adults

Choose from Zoom, Webex, or Microsoft Teams.

# K-5TH CURRICULUM PROGRAMS

## Zoo Keeper 101 - 2nd Grade

Students will learn the ropes of being an animal keeper as they rotate through different learning stations. They will compare and contrast the basic needs as they meet live animals. While on tour they will see animals from around the world to discover how Zoo Keepers plan animal habitats to meet the needs of each animal. Then explore wild Florida as we visit the bear habitat to learn how keepers care for Florida's wildlife!

### Onsite Program

Time: 10:00 a.m. to 12:00 p.m.

Group Size Per Day – Min. 15 students, 1 Adult / Max. 100 students, 15 adults

### Virtual Program

Time: 1 Hour

The virtual platform can accommodate up to 100 participants.

Choose from Zoom, Webex, or Microsoft Teams.

## Zoo Explorers - 3rd Grade

Students will meet live animals as they discover the differences and similarities between the vertebrate classes. They will travel the globe as they journey around the Zoo to identify continents and animals that live there and learn about their statuses in the wild. A trip to the bear habitat helps students learn about umbrella species, and discovery stations will show how math, science, and problem-solving skills help us care for the animals. Experience the wonders of wildlife!

### Onsite Program

Time: 10:00 a.m. to 12:00 p.m.

Group Size Per Day – Min. 15 students, 1 Adult / Max. 100 students, 15 Adults
