

CENTRAL FLORIDA ZOO & BOTANICAL GARDENS

WHERE THE CLASSROOM COMES TO LIFE!

REGISTER ONLINE AT
CENTRALFLORIDAZOO.ORG

Homeschool Classes for Ages 5-8

Annual Pass Holders: \$16.00 / Non-Pass Holders: \$19.00

Classes are available on Tuesdays and Thursdays

2:00 p.m. to 4:00 p.m.

Safety Measures

Masks are optional regardless of vaccine status while participating in an education program. For the health and safety of our animals, your child(ren) will be required to bring a mask with them to the education program and may be asked to wear it during the animal encounter or when going behind the scenes.

Registration is required at least one week in advance. Please observe age requirements.

September 13 and 15, 2022: The Wonder of Rainforests

Students will be transported to the world's rainforests through interactive activities, amazing biofacts, and live animals.

October 11 and 13, 2022: The Unhuggables

Loveable and huggable...not these animals. Prickly, pokey, and sharp are what these animals are all about as they use spines, quills, and more for protection from predators.

November 8 and 10, 2022: Small Creatures, Big World

What is life like for small animals in a big world? Let's discover what it means to be little.

December 6 and 8, 2022: Hooves and Horns

From llamas to goats, we'll explore the petting zoo to learn about everything from hooves to horns.

January 10 and 12, 2023: Wild About Disguises

Discover how animals "disappear" in the wild. Learn how they use their camouflage skills to hunt and hide.

February 14 and 16, 2023: Big on Bears

We're going on a big bear adventure to learn about Florida's amazing black bears!

March 7 and 9, 2023: Amazing Africa

Students explore this fascinating old-world continent's lands, cultures, and animals.

April 11 and 13, 2023: Take Flight

Experience the world from a bird's eye view. On the ground or in the air, what is life like as a bird?

May 9 and 11, 2023: Zoo Keepers

Learn what it takes to care for animals at the Zoo. Whatever the weather, Zoo Keepers are on duty and taking care of the animals!

Homeschool Classes for Ages 9-13

Annual Pass Holders: \$16.00 / Non-Pass Holders: \$19.00

Classes are available on Tuesdays and Thursdays
2:00 p.m. to 4:00 p.m.

Safety Measures

Masks are optional regardless of vaccine status while participating in an education program. For the health and safety of our animals, your child(ren) will be required to bring a mask with them to the education program and may be asked to wear it during the animal encounter or when going behind the scenes.

Registration is required at least one week in advance. Please observe age requirements.

September 13 and 15, 2022: Passport to Adventure

Discover amazing animals from around the world as we journey out on a continental safari.

October 11 and 13, 2022: Fear to Fascination

From creepy crawly to animals that slither and slide, it's all about myth busters as we learn the real facts about some amazing animals.

November 8 and 10, 2022: Zoo Vets

What's it like to be a Zoo vet? It's a tough job when your patients might be as tall as a tree or so small they fit in the palm of your hand.

December 6 and 8, 2022: Fun with Taxonomy

Have fun and explore the cool side of animal science with an up-close look at animal classification.

January 10 and 12, 2023: Venom 101

We'll research different types of venom to discover why they are important to some animal species and how they can help humans.

February 14 and 16, 2023: Zoo Animal Enrichment

Discover how Zoo Keepers make every day a busy day for animals in the Zoo.

March 7 and 9, 2023: Expert Egg Detectives

Become an expert on eggs! Birds, reptiles, and more, there's lots to explore!

April 11 and 13, 2023: Crazy About Crocodilians

Powerful predators with fascinating adaptations and behaviors...let's learn more!

May 9 and 11, 2023: Zoo Careers

It takes a large team of people to run a zoo! Join us to learn about the behind-the-scenes staff that keeps things going.

Homeschool Family Workshops

Annual Pass Holders: \$30.00 per family

Non-Pass Holders: \$35.00 per family

2:00 p.m. to 4:00 p.m.

Safety Measures

Masks are optional regardless of vaccine status while participating in an education program. For the health and safety of our animals, you and your child(ren) will be required to bring a mask with you to the education program and may be asked to wear it during the animal encounter or when going behind the scenes.

Registration is required at least one week in advance.

Fee does not include Zoo admission and is not required for the program.

September 21, 2022: The Power of Pollinators

Pollinators are the planet's food chain heroes, but many of them are in trouble. Let's explore to learn more and discover how we can help!

November 2, 2022: Florida's Wildlife Corridor

Florida's wildlife corridors are critical to the survival of native plants and animals. We will journey across the state to see how the habitats connect and learn why we must protect them.

February 22, 2023: Sounds of the Wild

Communication can be critical to an animal's survival in the wild. Discover how sound plays a vital role in saving species around the world.

April 19, 2023: Unexpected Heroes

Wildlife heroes, champions of the animal world, where does it all begin? Learn about people just like you and me that have bravely stepped forward to speak out for wildlife.

Homeschool Classes for Ages 13-17

Experience a wide variety of interactive programs where the classroom comes to life! For program descriptions and to register, visit centralfloridazoo.org.
