# BEER, WINE, & SELTZER DESCRIPTIONS

## **Budweiser**

American-style lager, ABV: 5%

Official Beer of Sanford, Florida since 2005. Budweiser is a medium-bodied, flavorful, crisp American-style lager. It is brewed with the best barley malt and a blend of premium hop varieties.

## **Central 28 Beer Co. DeBary, Florida**

### **Show Pigeon**

India Pale Ale, ABV: 6.7%

American style IPA, clean and balanced with big hop aroma and flavor. An assertive bitterness for balance that is not harsh or lingering compliments a light malt backbone. Notes of grapefruit, sweet and bitter orange, lemon peel, pine and guava course through the aggressive hop profile, both in flavor and the aroma. While hugely flavorful this beer is well balanced and exceedingly drinkable.

### **Miss Mary Brown**

Oatmeal Brown, ABV: 6.0%

Miss Mary Brown is a full bodied, malt forward brown ale that is smooth and rich but highly drinkable. Notes of caramel, toffee and chocolate are prominent in the flavor and aroma. Flaked oats provide a smooth mouthfeel and added complexity. English Fuggle and German Hersbrucker hops add a moderate bitterness and an earthy, peppery counterpoint to the malt sweetness for balance.

## **Blue Springs Brewing Co. Orange City, Florida**

### **Poncho Chela**

Mexican Lager, ABV: 4.2%

Light Mexican lager. Light, crisp with a clean finish.

### **River Dayz**

American IPA, ABV: 5.5%

Light in body but full of hops. Azacca, El Dorado, and Idaho7 hops bring that tropical fruit flavor. This beer is perfect for those lazy days on the river.

Bright, tart, and easy-drinking, our session sour offers a burst of juicy flavor. A combination of strawberry and kiwi will lend a vibrant color and tartness to this session sour.

## **3 Daughters Brewing Co.** **St. Petersburg, FL.**

### **St. Pete Beach Blonde Ale**

Light and refreshing with just enough hops to balance the malty sweetness and add a hint of citrus. ## **Tr-Hop-Ical**

American IPA, ABV: 6.7%

Florida is the gateway to the tropics. Pine trees fade into palms, while apples and cherries give way to oranges and grapefruit. ## **Citrus Grove**

Fruited Blonde Ale, ABV: 6.1%

Chill out poolside with Citrus Grove, a refreshingly fruity blonde ale made with orange and tangerine. Malty and sweet with a fruity character, finishes dry with huge citrus character in the body and aroma. A slight bitterness balances out the malt. We used a very liberal amount of tangerine & oranges to perfect this lighter bodied Florida forever-summer-time crusher.
